Lara-Lara.-It is preity well know that Professor Y. Day, the renowned photographist, has permanently located at the corner of Main an Union streets Memphis; and it is equally well known that he is the man to whom you should apply if you want durable, life-like pictures of yourself or friends. His charges are remarkably low. Prof Wm. Cooper, the celebrated portrait painter is located in the same building, and would be pleased to have you call and exam ine the many beautiful paintings which adorn his studio.

OBITUARY. - Departed this life on Sabbath night, July 21st, after a painful illness, Al bert Joseph, beloved and only child of James G. W. and Maria J. Fenwick, aged three months. Far away by the bright waves of the Mississippi river, four little graves already tell the sad story of barenvement of these fond parents, and now in a distant State they are called again to bear the panga of sorrow in the death of this, their darling one, and how their hearts yearn for him can only be known by those who have lost one after another of their babes; but while they mourn let them not be unmindful of the blessed truth that their precious child is own wisdom. And there are cords of comnow at rest in the bosom of his Savier, and communication in man, by which he may DEALERS IN STAPLE AND FANCY that if faithful Christians here they shall be permitted to rejoin him and their other pervade universal nature. The first scree blessed children in that happy land where sorrow is unknown.

[For the Bolivar Bulletin].

THE SOURCES OF KNOWLEDGE. God designed that man should be wise. He has made certain requirements of man that would be impossible, for him to comply a mind that is susceptible of unbounded expansion. And this mind is of such a nature, that it desires knowledge. Man has also been placed in a world where he may gain this knowledge. On all the visible things that God has created, is left an impress of his come in contact with this wisdom, that of knowledge is observation; when the babe lies apparently unconscious in its mother's arms, it receives knowledge; by what takes place around it, it soon distinguishes its Chors.- Brighter and brighter the pros- mother from any one else, and it proceeds
